

Need a Hand with Food?

Hurunui food banks are here to help

We know life can throw surprises that strain your budget. Whatever the reason — rising costs, unexpected bills, illness or reduced income — food parcels are available for anyone who needs them

- **No criteria, no referrals** — you don't need to be on a benefit, part of a church, or meet any special requirements.
- **What's included** — pantry staples (pasta, rice, canned goods), fresh fruit and vegetables (when available), bread, and sometimes meat or hygiene items.
- **Available across Hurunui** — food parcels can be accessed anywhere in the district.
