What we do

Our role is to foster a greater understanding of different cultures and what it's like moving to New Zealand.

Share stories about people moving to New Zealand and what it's like settling into life in the District.

Celebrate diversity through a range of multicultural events.

Our relationship with the Council means that we can link you with:

English language classes to help people practice speaking in a friendly and welcoming space. This helps build confidence and often friendships develop.

Driving Courses and Multicultural Cooking Classes.

Provide migrants and newcomers with information about their immigration, employment and legal rights.

Visit the Global Locals of Waimakariri Facebook page and receive updates on the things that are happening in our district.
